Newsletter Spring 2018

Well, its that time of year again; time to dust off your showing gear and bath your horse! **CDRC Shows** this year are on **May 13th, June 10th, July 8th and August 12th**, all Sundays. All are at our showground opposite TC Feeds in Kensworth.

Details are available on our Facebook page as well as on our website (listed above) and in our schedule which is available in Tcs as well as many other local tack and feed shops and equestrian centres. If you can't find it elsewhere send an A4 sae to Jacky Wood 6 Adams Way Tring HP23 5DY, and I'll post you one.

The schedule is little changed from last year but we have done some minor tweaks to some showing classes and major changes to the morning showjumping, so please read carefully. We are running qualifiers for **Chiltern&Thames Rider, 15+Horse and Pony Events, Sunshine Tour and Great Midland Show**. Details of all these shows; dates, venues and qualifying info is in our schedule and on the website. If you have any queries about qualification and eligibility please contact them. Contact info is also in our schedule and on the website. We are also hoping to run qualifiers for the **Stars Championships** (we have only just come across this – details will appear on the website and on Facebook when we have them).

Membership and entry fees remain the same as last year, and you will still be able to join and enter and pay on-line or by post. Please read all instructions carefully. You will be able to join or enter on the day, but payment then will need to be cash or cheque. I rarely close classes, but if any do get full I will put info on the website and facebook. Remember, you **save money as well as time by doing pre-entries**. You do not have to be a member of CDRC to enter, but please remember that if you are doing a class as a qualifier that you may have to have joined the relevant society in advance. We do not have qualifier cards or details for any of them on the day, and do not have our own internet access.

Lastly an appeal. As many of you already know this is the last year we will be able to hold our shows at TCFeeds as they are changing their business. We are therefore looking for a new venue. If you know of anywhere suitable please get in touch either through the website or by phone or text to 07985045843. To help us we need to have a few details regarding size, access, storage facility (for trailers and caravans), and above all cost. It needs to be within 10 – 15 miles of our present site (to transport equipment) and needs to be at least as large as our present site which is 3 fields each approx.200m x120m. We also need to be able to have firmed up a deal by the July Show, as if we don't find anywhere we will have to make arrangements to wind up the club and dispose of all the assets and equipment.

Looking forward to seeing you all in 2018. Good Luck and Have fun!
CDRC Committee
